Hi! CULTURE

2023 Events Programme

Newark Creates is a cultural programme, led by
 Newark Cultural Consortium as part of the High

 sound and light nights and more.

We are working with venues, businesses and partners across Newark and will be popping up all over, from shops including Petit Versailles, Stodman Street, Newark Library, Beaumond House Hospice shop window (near Asda) and look out for our Artists in Residence as the town responds to our ADHD Umbrella installation.
